June 2022

Grand Knight's Letter

Happy (almost) Summer! As we are closing in on the finish of a busy spring and the coming days of summer fun; I'm sure we are all looking forward to BBQs, picnics, vacation trips and time outside with family and friends. As KCs, we are blessed to be members of a unique council whose membership covers two parish families. We are not one of the "Big Boy" councils in our state, but we are darn close with 360 plus members. It is great to be a member of a large Catholic family of KC brothers!

As I am nearing the finish line of my first year as your Grand Knight, I cannot express enough how grateful I am for the wonderful group of Past Grand Knights, Past Financial Secretaries and dedicated fellow officers and directors who have covered my forgetful derrière! Without your and their support the Fraternal Year of 2021- 2022 would not have been as successful as it has been.

As your Grand Knight, I have been busy bringing to a close my first year of service. One of my last tasks for this Fraternal Year was the development of a list of Nominees for your Council's upcoming election of officers. The election will take place in just a few days at our June General Council Meeting. You should have received a copy of the Nominee list via email or

you can review the list in this issue of the Outer Guard. If you find that the list does not contain a name you wish to nominate, or if you would like to run for an office (say Grand Knight), please be sure to attend the June General Meeting and you will be heard!

One of my first Outer Guard messages as your Grand Knight, addressed our manpower needs. We were struggling to maintain the needed help to properly conduct our monthly fish fries, which is your Council's biggest provider of funding. Manpower needs for our charitable events and other Council activities, continues to be an issue today. This is an astonishing truth given the membership size of your Council!

On the bright side of this issue is the dedicated Knights who are always present, always serving the needs of the council, the assembly, and the home corporation. Without these Knights our council would fold up its tent and slip away into history. To all these Knights, the Knights who are your officers, the Knights who run the Fred Mills Club, the Fry Team Knights, and all the Knights who have worked an event this past year, THANK YOU!

On the other side of this issue are all the Knights in the Council who I have not seen and have not yet met. I want

to thank you for being a Knight and keeping your dues and membership up to date, but I also wish, once again, to ask for your help with your Council's manpower needs. I am quite aware that we all lead very busy lives, and that the Pandemic put a real strain on all of us and our availability to be out engaging with others. It now appears that the Pandemic is finally slowing down and as a society we are moving toward some normalcy.

As I stated in an earlier Outer Guard message, with the size of our Council if every Knight would make a real effort to provide just 12 hours of service a year all our manpower needs would be met with room to spare. No matter how busy you may be with your work life, your family life, and other pulls on your schedule, you can find an hour or two a month to aid the work of your Council. The wide variety of tasks that need to be addressed with your Council's events should provide plenty of opportunity for a Knight to serve an hour or so! If your personal interests do not come close to the desire to fry and serve fish, then maybe you would be better suited for attending a "Prayer Hour", a Rosary for Life event, or helping with the Coats for Kids or Christmas Shopping Spree programs.

Continued next page.....

Grand Knight's Letter continued...

The opportunities to serve your Council are as diverse as the age of our Knights! No matter what your interest is there is a task you can take on that will aid your Council's charitable efforts.

We are all at least First-Degree Knights! The first principle of your Order, the first lesson you were taught when you became a Knight was that of

Charity! PLEASE take a moment to say a short prayer asking our Lord to inspire your heart to choose a Council task that is near and dear to you, then act. Get in contact with me or one of your Brother Knights and make a real effort to assist with your Council's manpower needs. Now more than ever you Council needs your assistance! Jump in! Give a little of the most precious commodity we all have, give some time!

How wonderful it would be if, at the end of the day, each of us could say: today I have performed an act of charity towards others! Pope Francis

God Bless!

Vivat Jesus!

From Our Field Agent

Our Catholic Difference

Last month I told you about a speech our Chief Operations Officer, Tony Minopoly made at our State Convention. He put forward the implications of, “no Knights of Columbus.” This month I would like to mention an email I recently received from Supreme Council about our Insurance Business and its implications.

At the Knights of Columbus, we turn some of the profits from our Insurance Business into charitable impact every year.

Together, through service and sacrifice, we have made possible:

- Mercy Centers for Ukrainian Refugee Relief in Poland
 - \$88 million+ for seminarian and religious vocations support
 - More than 800,000 coats donated to children in need since 2009
- That’s our Catholic Difference.

We’re more than your average Fortune 1000 company. With \$116+ billion of life insurance in force, and councils around the globe, there’s real strength be-

hind our evangelical charity.

We’re building on what was started by Blessed Michael McGivney in 1882.

That means that today we offer quality insurance products that align with your needs and values, resulting in us being named one of America’s Best Insurance Companies in 2022.

Have you considered the impact your insurance is making?
Your membership as a Knight can do more for you and your community.
Let me, your Brother Knight and Field Agent show you how.

Don’t forget to register for the next Fraternal Benefit Night featuring Ed Slott!

Prayer for the Canonization of Blessed Michael McGivney

God, our Father, protector of the poor and defender of the widow and orphan, you called your priest, Blessed Michael McGivney, to be an apostle of Christian family life and to lead the young to the generous service of their neighbor. Through the example of his life and virtue, may we follow your Son, Jesus Christ, more closely, fulfilling his commandment of charity and building up his Body which is the Church. Let the inspiration of your servant prompt us to greater confidence in your love so that we may continue his work of caring for the needy and the outcast. We humbly ask that you glorify Blessed Michael McGivney on earth according to the design of your holy will. Through his intercession, grant the favor I now present (here make

Building the Domestic Church

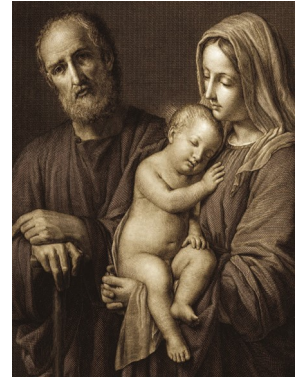

While Strengthening Our Parish

The Family Fully Alive

The Family that Prays and Plays Together, Stays Together

Because God is the Lord of mercy, we want to begin anew by helping heal our family wounds and promoting forgiveness.

June 2022

Because families play an important role in the new evangelization, we want to share our faith with other families.

Everyone — no matter their role or station in life — is called to holiness. As the saints have shown so well throughout history, holiness in life leads inevitably to witness in our daily lives. This witness is the primary way to evangelize in our time. It is through living our lives as Catholic families, devoted to our faith, to each other and to helping those in need, that we best evangelize in a world that so often seems reluctant to hear this good news.

Meditation

From an address of Pope Benedict XVI to the Pontifical Council for the Family.

The new evangelization depends largely on the domestic church. ...The family is indeed the way of the Church because it is the “human space” of our encounter with Christ. Spouses “not only receive the love of Christ and become a saved community, but they are also called upon to communicate Christ’s love their brethren, thus becoming a saving community.” The family founded on the sacrament of marriage is a particular realization of the Church ... called to welcome, radiate and show the world the love and presence of Christ.

The reception and transmission of divine love are realized in the mutual commitment of the spouses, in generous and responsible procreation, in the care and education of children, work and social relationships, with attention to the needy, in participation in church activities, in commitment to civil society. The Christian Family to the extent it succeeds in living love as communion and service as a reciprocal gift open to all, as a journey of permanent conversion supported by the grace of God, reflects the splendor of Christ in the world and the beauty of the divine Trinity.

1. How can our family better communicate Christ’s presence to others in word and action, and thereby become a “saving community” that shares the love of Christ?

2. Remembering that the “new evangelization” is an evangelization which is not new in content but “new in ardor, methods and expression,” what are some ways our family can “evangelize,” and what truths might we express?
3. Why is family such an effective voice for things that matter?

Family Project

Write down ideas for small sacrifices/offerings on individual pieces of paper. Place these in a small bowl. Every day, have each member of the family randomly select one piece of paper to offer the sacrifice listed for the intentions of a relative or friend. At the end of the month, each family member might send a note to the person for whom they made the offering, telling him or her about their prayers and sacrifices.

Scripture Reading of the Month

Psalms 148: 1-5, 11-13

A song of praise to the Lord

Praise the LORD from the heavens;

praise him in the heights.

Praise him, all you his angels;

give praise, all you his hosts.

Praise him, sun and moon;

praise him, all shining stars.

Praise him, highest heavens,

you waters above the heavens.

Let them all praise the LORD’s name;

for he commanded and they were created,

Kings of the earth and all peoples,

princes and all who govern on earth;

Young men and women too,

old and young alike.

Let them all praise the LORD’s name,

for his name alone is exalted,

His majesty above earth and heaven.
